ILLUSTRATED BY
CRISTINA DEL MORAL

Young Eamonn and his sister Lella find themselves alone in the woods where they almost come face-to-face with Auld Carty, a mysterious man whom the parents in their village have warned them about. But when Eamonn gets deathly ill and the Far Side boys begin to cause him and his gang problems, Auld Carty offers Eamonn sage advice, and another mysterious person comes to Eamonn in his time of need.

Written by Eamonn O'Keeffe (Ireland) and illustrated by Cristina del Moral (Spain), this dynamic duo has created a story in the spirit of the *Seanchaí*, Ireland's traditional storytellers.
